Observations... From Around Town

(BY JAY WHOZIT)

We have brought to the attention of the Mayor and the members of some automobiles are driving around town at a high rate of speed and we understand that some people who have been given tickets for parking wrong have been told that the Echo was responsible for this—we are certain that the boss will accept the responsibility for this matter and we want to make it clear that on light as not on the person who may be parked it is not going to hurt anyone... we are after the folks who go about town speeding with utter disregard for the life of an individual... Mr. Mayor, you should be a bit more courageous in doing your duty... it may mean the saving of the life of some child... maybe some one who is near and dear to you... last week end, the big Fourth of July three-day holiday, saw one of the largest crowds of visitors ever to spend a weekend on the Coast, they had a grand time celebrating the "glorious fourth," with large bonfires and displays of fireworks all along the beach front from Cedar Point to Clement Harbor... the newly-formed South League swung into action on last Sunday, with the first games being played at Vincent Morreale's new park out on the highway... you lovers of the sport can look forward to some hot games once the boys get into shape... a news report from the University of Mississippi is to the effect that Hugh Moore, of our city, junior in the school of Commerce has been named a member of the newly-formed Student Faculty Recreation Committee for the summer session at the Minstrel subcommittee... Governor Fielding Wright was to be a visitor to Bay St. Louis on July 18th to speak in the interest of his candidacy for a full term as governor, however he will not be able to fill this engagement as he will be in Washington at that time to testify against the FEPC Bill... Taxey Hall former U. S. District Attorney will substitute for him... the committee in charge of the American Legion Fourth of July celebration at Stanislaus Stadium, reports that the affair was a great success, financially and otherwise, and that quite a substantial sum went into the building fund as a consequence... several residents of Waveland have complained about the lack of drinking water there, saying that last weekend, when Waveland had so many holiday visitors, there was practically no water at all in some instances except where residents have private wells or are fortunate enough to own force pumps, this is a serious situation... if you doubt the fact that business in Bay St. Louis and Hancock County is better now than ever before, read the statements of the Hancock Bank and Merchants Bank, which are published elsewhere in this issue... bank statements really reflect the ups and downs of a community... this is just a thought, but we have often wondered why the Board of Supervisors or other powers that be have not erected a memorial to the boys and girls of Hancock County, who saw service in the World Wars, particularly those who so valiantly gave their lives that we might enjoy lasting peace... it certainly would not cost a fortune, and would at least make those who have returned and the loved ones of those did not, feel that the sacrifices they made have not so soon been forgotten... this week the Echo is beginning a series of stories showing the business and building improvement which has been made in the past few years... in comparison with other towns of its size, we are quite sure that Bay St. Louis ranks high up on the list in the matter of new homes built and new business enterprises started within the past several years... Waveland, also has shown considerable progress in the building of new homes, and would see many more built there if adequate fire protection could be provided... things seen to be rather quiet on the political front these days, could it be that this is the calm before the storm?... we shall see as time is growing short... so far Bay St. Louis is about the only place we know of where no one has reported seeing the "flying saucers or discs" floating around in the sky, maybe it's just that we have been drinking more water and less stimulants since the weather has been so hot... to the proprietors of the drug stores in Bay St. Louis—we have heard many folks complain that on Wednesday afternoon it is impossible to get a prescription filled in town for the reason that you are all closed—we think that it is a splendid idea for you to close and have a little time for recreation as you're a seven day a week job with long hours—

L. & N. Railroad Will Cancel Commuters Tickets August 1st

Action Must Be Approved By Interstate Commerce Commission—Protests Should Be Filed and Every Move Made to Prevent Approval

**JOHN J. FAYARD
ANNOUNCES FOR
CONSTABLE, BEAT 5**

The Sea Coast Echo is authorized to announce the candidacy of John J. Fayard, for the office of Constable, Beat Number Five, of Hancock County. His statement follows: To the White Democratic Voters of Hancock County of Beat Five: I take this means of announcing myself as a candidate for the office of Constable of Beat No. 5 subject to the action of the Democratic primaries on August 5th. It is not necessary for me to give a history of myself as most all the voters in Beat No. 5 have known me all my life. I say however I was born and reared in Beat No. 5 Hancock County, near Waveland, Mississippi. I am 47 years of age and have always tried to identify myself with the things of best interest to my County and people. I am a law abiding citizen and believe in the enforcement of the law, and will do so in a manner fair and just to all. I was employed by the L. & N. R. R. Company for many years serving that Company with perfect satisfaction and would still be with the Company today, but owing to a severe accident sustained by me in which my life was almost lost I was forced to retire from the service of the Railroad. Since that time I have had no permanent job and have been forced to starve at home under heavy expense in an effort to cure and better myself. I have a family to support and care for and it is under these conditions I am asking the voters of Beat No. 5 to give me some consideration in the election August 5th in order that I may better myself and family and at the same time serve them in the office with efficiency.

While I did not serve in the World War, which was no fault of mine, I had two sons who answered their nation's call and served with honor and distinction and went thru the ordeal and today are back at home under honorable discharge. I may say that once before I offered myself as a candidate for the office of Constable and while I was not elected, I had the distinction and satisfaction of receiving the highest number of votes of any candidate in the election in my home town. The count being almost three to one in my favor. For this I shall always feel grateful. This in my opinion is the best proof of a man's standing in the community where the voters know him best. I shall always feel grateful for the splendid vote accorded me on that occasion. Needless to say if elected this time I shall continue to show my appreciation by giving the very best service I can and in a manner fair and impartial to one and all alike. It is an accepted principle that rotation in office is one of the fundamental principles of our Government and as such it would appear right at this time to give a new man a chance to serve his county or beat for whatever office he may aspire. Again thanking the voters for past favors and hoping that you will give me favorable consideration on August 5th.

Respectfully,
JOHN J. FAYARD.

—Mr. and Mrs. J. R. Shadoin have with them Mr. Shadoin's sister Mrs. Edwin Cross of Gadsden, Ala., Mr. Shadoin's father Mr. George W. Shadoin, of Anniston, Alabama, has returned to his home after a visit to his son.

Would it be possible for you to arrange an alternate schedule to have your store open on Wednesday afternoon.

The Louisville & Nashville Railroad Company has announced that all commuters tickets for three, four, six and twelve months have been cancelled effective August 1st, 1947. The cancellation published in the new tariff schedules, are subject to approval by the Interstate Commerce Commission.

The article in the New Orleans States of Tuesday, July 8th, 1947, stated that a spokesman for the railroad said that the rates, put in effect "years ago to help build up the Gulf Coast" were as low as 3 1/2 mills per mile between New Orleans and Bay St. Louis, Miss., comparing with regular rates of 2 cents per mile between the two cities. The change is not to effect family tickets ranging to 30 trips, 46 trip school tickets to 62 trips monthly business tickets.

The people of the Gulf Coast should certainly voice their objections to the plans of the railroad in cancelling Commuters tickets from the Gulf Coast to New Orleans. We have numbers of people who are residents of this section who commute to New Orleans daily, to and from work, and this will be a grave injustice to these people. May we suggest that letters and telegrams be forwarded to our Congressman and Senators, asking that a hearing be had at least by the Interstate Commission before they allow this to be done, and that they exercise every available method to prevent the cancellation of the commuters tickets. The cancellation of these tickets will affect this area. Many of these people cannot afford an increase in their train fares. They are mostly people of moderate circumstances who would own their homes in our midst, and who would rather live here than in a large city, and this action of the railroad company is going to work a hardship on them.

We have heard no reason expressed by the Railroad Company for this action. We have always heard that the passenger traffic on this division of the railroad paid dividends, and certainly if the officials of the railroad company would attempt to improve their commuter service and try to help build this territory as other railroads have done in their respective territories their road could not sustain the amount of passenger traffic that would come to it.

The Mississippi Gulf Coast is equal to any of the resort sections of the Country, and with a little help it could be made outstanding. The Louisville and Nashville Railroad Officials, should take stock and help to develop it instead of attempting to destroy it.

The C & S Fine Foods will be open for business today, Friday, July 11th. This is a new business in Bay St. Louis which offers to the housewives a complete line of staple and fancy groceries, choice western meats, fruits, and vegetables.

It is owned by Messrs. Charles Carter and John A. Scafield and Mr. Carter, who has had many years of experience in the grocery business, will be the manager. Coming to Bay St. Louis 21 years ago as manager for the Piggly Wiggly Store which incidentally was located in the same building in which the C & S Fine Foods is located, Mr. Carter remained in their employ for a number of years. Later on he was with diBenedetto Fine Food Store and for the last ten years he has been manager of Hill Store at Waveland. Mr. Scafield of course is known to every man, woman and child in Bay St. Louis because Johnny, as he is familiarly known, was an outstanding athlete at St. Stanislaus and Tulane University. He coached at Bay High and St. Stanislaus and is now an Assistant Coach for the Buffalo Bisons, a professional football team.

Their store is equipped with the most modern furnishings and equipment, a feature which makes shopping both easy and pleasant for the housewife.

May we urge you again to lend every effort you can to try to prevent the railroad from securing the approval of the Interstate Commerce Commission of their action in cancelling commuters tickets.

Coming to Bay St. Louis 11 years ago during the depth of the depression, Al Voight looked the situation over and felt that there was opportunity in our midst. The Weeks Chevrolet Agency had closed their business, and Mr. Voight leased the building at the corner of Main and Front, which had been occupied by this firm he then secured the agency for the Chevrolet Automobile. His business grew to such proportions that it was necessary for him to secure larger quarters. He affected a lease for his present location with the Pollatsek heirs and remodeled the old residence into a business establishment. He later leased from the Lamar Life Insurance Company the building which houses his work shop, and when the opportunity presented itself, he purchased this building and the oil station that was located on the corner of Court St. and the Beach. He remodeled this building in which today is located his Chevrolet Agency.

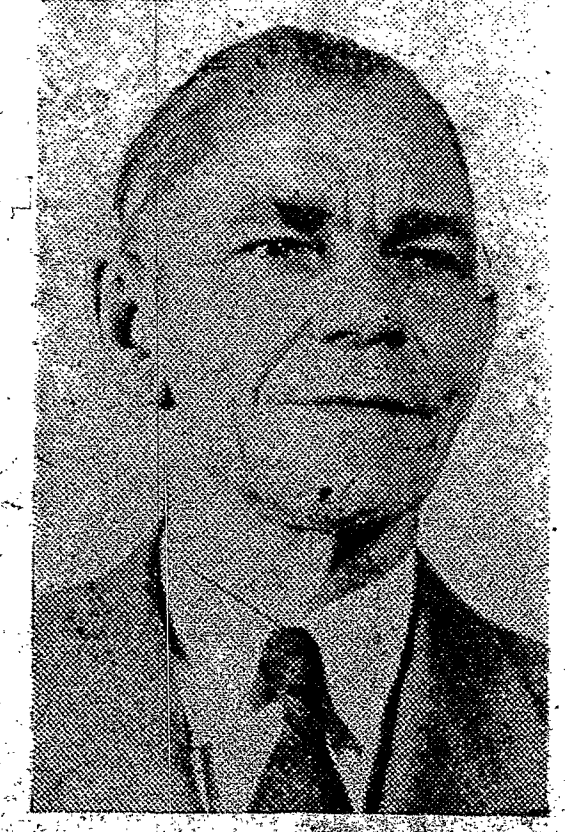

HOME OF GULF CHEVROLET COMPANY

During the war and the days that the automobile business looked dark when it was impossible to secure delivery of automobiles, Mr. Voight felt that he should keep his name and that of his automobile agency before the public. Realizing that it was necessary to establish an affiliate business, he opened a Dixie Auto Lec Store which he has developed into a thriving business; today it fits in very well with his automobile agency. In addition it served the purpose of keeping Al Voight's name before the buying public.

Prior to coming to Bay St. Louis Mr. Voight was District Manager for the Chrysler Corporation at Kansas City, Mo., and Omaha, Neb. He has spent a lifetime in the automotive industry.

Al Voight has faith in his adopted city and its surroundings. He is a booster for Hancock County. His proven business ability shows that he has vision and foresight, and he contends that with able leadership, afforded by the business men, an era of development in our County is not far off.

COLMER-DOMENGEAUX BILL PASSES HOUSE— TO BE CONSIDERED BY SENATE

Provides for Study to Pave Way for Rehabilitating Destroyed Oyster Reefs

The Colmer Domengeaux bill, providing for an appropriation of \$50,000.00 for a study which will pave the way for rehabilitating the oyster reefs in Mississippi and Louisiana which were destroyed by the waters of the Mississippi River turned into Lake Pontchartrain through the Bonnet Carré Spillway in 1945, was passed by the House of Representatives and is now before the Senate.

The bill, in addition to the study authorized to be made by the Department of Interior's fish and wildlife service, also authorizes the department, after completing the study, to make a recommendation to Congress of the amount of funds necessary to restore the oyster beds in the Mississippi Sound and the waters of Terrebonne Parish in Louisiana.

This bill was introduced by Mr. Colmer and Mr. Domengeaux as a compromise after the committee held a report on the intrajugate appropriation of \$3,000,000.00 to Mississippi and \$1,000,000.00 to Louisiana for the damage done.

JOHN W. (Tody) CARVER CANDIDATE FOR CONSTABLE, BEAT 5

The Sea Coast Echo is authorized to announce the candidacy of John W. (Tody) Carver for the office of Constable Beat Number Five, Hancock County. His statement follows:

To The Voters of Beat 5, Hancock County:

I want to take this opportunity to announce my candidacy for Constable of Beat 5 in the primary election to be held on August 5th, 1947.

I have been a resident of this Beat all of my life, like my father Sam Carver has been before me. I am 35 years of age and in perfect physical condition. I mention this fact so that everyone will know that I am perfectly capable of handling the job of Constable.

I want to also take this opportunity to state that certain uncouth people have been spreading rumors slandering me. I know that everyone who knows me knows that these rumors are false and that the people who spread them are classed as rats who like a rat would venture forth to steal a piece of cheese but only when the cat isn't around, but let the cat be present and they stay in their holes. For I am certain that rumors of this sort are only means of proving what some people will stoop to try to defeat an honest capable candidate. Thanking you all for your support.

I am,

JOHN W. (TODY) CARVER.

Toxie Hall Will Speak For Gov. Fielding L. Wright

Governor Fielding L. Wright, who is a candidate for a full four year term was to speak at Bay St. Louis, on Friday, July 18th, at 10:30 A. M. in the interest of his candidacy, however, Governor Wright will not be able to be here at that time, as he is going to Washington to testify against the FEPC bill that is before Congress.

Mr. Toxie Hall, of Columbia, former United States District Attorney, will substitute for the Governor.

Coast Electric Power Association To Hold Annual Meeting, July 16

The Coast Electric Power Association will hold its annual meeting at the Bay High School Auditorium at 10:00 o'clock A. M. Wednesday, July 16th. Registration and entertainment will begin at 9:00 o'clock A. M.

Matters to come before the meeting will be the report of the officers and directors. The election of directors for the coming year. Consideration of an amendment to the by laws to provide for the election of four additional directors, in order to give equal representation on the Board to each of the counties of Hancock County, Pearl River and Harrison. At the present time Hancock County has five directors, and Pearl River and Harrison have three each.

The following members of the Association have been nominated for Directors by the Committee on nominations: Aden S. Bellew, W. H. Buiks, James L. Crump, C. W. Fourn, Isaac M. Frierson, Susan S. Ladner, P. J. Morris, George B. Pearson, W. F. Pearson, John S. Resler and Weldon E. Shaw. In the event that the amendment is ratified providing for the election of four additional directors, four additional names have been placed in nomination by the committee, as follows: Ernest E. Clark, Fred Ladner, B. F. Morris and F. Randall Rester.

Anyone desiring to place in nomination the name of any other person for election to the Board of Directors of the Association may do so at the meeting.

One of the features of the meeting will be the entertainment by Jack Brown and his string band featuring Wayne Singleton, radio and recording star.

There will be many prizes given to those in attendance, any member (wife or husband) who has registered and is present in person at the time of the drawing is eligible for the prize drawing, and any individual representing a member by proxy, whether a relative of the member or not will not be eligible for prizes, nor will any director or employee. The prizes to be awarded are as follows: General Electric Washing Machine, Sunbeam Mix Master, Sampson Automatic Table, Electric Range, General Electric Full Automatic Toaster, General Electric Automatic Coffee Maker, General Electric Grill and Waffle Iron, Lyon Fly Electrocutor, Telephon Electric Clock, Barn Yard Flood Light, Three Chick Brooder Units Complete, and in addition there will be a small prize for each member present. In the event any of the items listed above are not on hand at the time of the drawing a certificate of award will be issued for early delivery.

**WILLIE (BILL) GREEN
ANNOUNCES FOR
SHERIFF AND TAX
COLLECTOR OF
HANCOCK COUNTY**

The Sea Coast Echo is authorized to announce the candidacy of Willie (Bill) Green for the office of Sheriff and Tax Collector of Hancock County. His statement follows:

To The Voters of Hancock County:

I take this means of announcing my candidacy for Sheriff and Tax Collector of Hancock County. I think it is needless to write a long announcement.

I was born in Hancock County fifty-two years ago, eight miles from the City of Bay St. Louis, and reared on a farm, and attended public school in this County.

I am interested in the welfare of our County and its citizens.

I am a Veteran of World War I, and a member of the American Legion. I am also a member of the 402nd, and I am at present post service officer of the Post, and have been for the past twenty years.

I am interested in the Welfare of the Veterans, to advise them of what they are entitled to, Veterans benefits are being provided by law, but masses did not know when, where, how to go about applying and qualifying for that, to which they were entitled, as laws were amended, new laws passed, and added benefits were made available. The job of meeting requirements became more and more complicated. I have studied these laws so our Veteran can get what he is entitled to and see that he gets proper medical care when needed, to try and secure him a job so he can make a decent living for his family. I shall continue working for our Veterans and their families.

I feel like I am no stranger to the people of Hancock County as I have been active for twenty-five years for the betterment of our County and its citizens.

I am opposed to three or four men dominating or controlling the County. This I shall continue to work and oppose.

I think the people know the attitude I have taken against corrupt politics. I am not being backed by any political party in this County. I am strictly independent and ask that you make your own decision, not to see who is free from the old politician.

I make this statement: That I am unopposed and controlled by any political party in Hancock County, free to act as a free man should do. I think when the people elect a man to the office of Sheriff he should stand by the people. I make my solemn promise to do this in Hancock County if elected Sheriff and Tax Collector of this county, and the citizens vest me with the privilege and honor to serve them. I shall carry the dignity and duties of the Sheriff's office to the highest of honor. Thank you, and may God bless one and all for a better county to live in.

Will appreciate your vote.

WILLIE (BILL) GREEN.

**TOURNE WINS OVER
LOIACANO'S GROCERY
IN FIRST SOFTBALL
GAME, 1947 LEAGUE**

Wilmer's Swamp Magnolia State Supply

Tourne's Auto Parts defeated Loiacano's Grocery by a score of 5 to 2 in the first game of the 1947 softball league on Sunday, July 6, at Morreale Park on Highway 90. In the second game between Wilmer's Grocery and Magnolia State Supply the grocersmen ran roughshod over the supplermen by a score of 16 to 3.

Wally Pontemps and B. Fayard both playing for Tourne displayed their hitting ability by each chalking up a home run to their credit.

Batteries for Tourne were Benvenuti, catching, and C. Ladner, pitching. For Loiacano, Osbourne did the backstopping with S. Geoffrey performing on the mound.

Wilmer's grocersmen obtained a total of 15 hits against Phillips of Magnolia State to put themselves well in the lead in the early part of the game.

Batteries for Magnolia State in the second game were Phillips pitching and Stechmann catching. For Wilmer's Junior Favre pitched and L. Luc did the catching.

Umpires for the games were, Woodrow Lafontaine, Mac Cameron, and Leroy Bourgeois.

On Sunday, July 13, at Morreale Park on Highway 90, a double header will be played between Rhodes Hauling and Loiacano and between Wilmer's Grocery and Tourne's Auto Parts.

First game will be called at 3:00 p. m.

KNIGHTS OF COLUMBUS INSTALL OFFICERS

Newly elected officers of Pere LeDuc Council, 1522, Knights of Columbus of Bay St. Louis, Miss., 1948, were installed in impressive ceremonies Monday evening, July 7, 1947.

The officers so honored were as follows:

Monsieur A. J. Gmelch, Chaplain.
Wilmer J. Thibaux, Grand Knight.
Peter J. Benvenutti, Deputy Grand Knight.
Dr. M. J. Wolfe, Chancellor.
Wallace J. Bontergis, Financial Secretary.
Randolph E. Bourgeois, Jr., Recording Secretary.
Sam L. Favre, Jr., Advocate.

Carl J. Arnold, Warden
Albert J. Monti, Jr., Inner Guard
Henry J. Lang, Outer Guard
Robert L. Camors, Trustee for 3 years

Linus A. Koenen, State Deputy, Gulfport, Miss., installed the new officers and commended the local Council very highly for its accomplishments during the past year and offered his assistance in every way possible to the new officers in order that they might make as creditable record as their predecessors.

He was assisted by Past State Deputy, John S. Cabibi, also from the Gulfport Council, who acted as Warden to the State Deputy.

Expressions of congratulations and best wishes were made by other visiting Knights from the Gulfport Council to the newly elected

officers after their installation into office.

Following this most important ceremony boiled shrimp and drinks were served in the newly redecorated dining room. One of the largest attendances on record was on hand to welcome the new officers and offer their cooperation in every way they could to make their administration a success. From all indications from the interest thus manifested by so large a gathering the coming year is practically assured of being a banner one for the local Knights of Columbus.

Next Sunday morning the Knights of Columbus will receive Holy Communion at 7 o'clock Mass at Our Lady of the Gulf Church. Breakfast will be served to them in the home on Main Street following Mass. Grand Knight, Wilmer J. Thibaux, expressed his hope that every member that could possibly be on hand for this occasion, to please do so. Before adjournment the Grand Knight announced that with the full cooperation of the officers and members he would make every effort to continue the precedent as set by his predecessor, Robert L. Camors, and his fellow officers.

ONLY THE BEGINNING!

This sleek, new craft is the P-47 Thunderbolt. But—look quickly—it's on its way up! Once it leaves the runway, the sound of its engines begins to lag behind, and roaring jet power flashes it out of sight almost before your eyes can focus on its course. The Thunderbolt gives you a fleeting look at the future.

Developed by the Army Air Forces, the Thunderbolt is another step in the unceasing search for greater speeds in the air. The barrier separating man from speeds as fast as sound is mysterious and formidable—but the problem is being met with traditional ingenuity and competence.

The Army's work in the field of jet power benefits every American citizen in two ways. First, it helps keep our Nation a first-rate air power during this trying period of interna-

tional readjustment. Second, it hastens the day when jet power will whisk civilian cargoes from Coast to Coast, from continent to continent, in a fraction of the present time and at a fraction of the present cost.

In these times of sweeping change, the entire new Regular Army is continuing to mould the shape of things to come. Today, in huge laboratories and testing stations all over the country, it is carrying on the work that keeps the nation strong. Science and industry join with the Army in many of the projects that eventually find their way into the uses of peacetime.

Many of America's finest young men are now a part of the new Regular Army. They are building their own futures while serving their country in these vitally important times.

Presenting James Cagney
With Annabella

Twentieth Century-Fox presents a dramatic espionage drama starring James Cagney. This film shows the operations of the U. S. Secret Service and provides enough suspense, action, thrills and intrigue to keep the entire audience in a constant state of excitement. The same forceful, factual presentation that distinguished "The House on 92nd Street," is displayed by the same director and producer, who rank highly praised for an excellent job. As director of an espionage group, Cagney gives a forthright performance.

The synthetic glamor cloaking the grim business of war that is to be found in many war films coming out of Hollywood is thankfully lacking. After intensive training Cagney takes his group to England. Among them is a Nazi Gestapo agent.

This film unfolds to you some of the most intense happenings and you will be sure to enjoy this picture, "13 Rue Madeleine" to the utmost of the actors' abilities. See James Cagney, Annabella, Richard Conte, Frank Latimore, Walter Abel and Melville Cooper all in one picture. This, you must see.

Veterans' News

Here's a date, only three weeks from now, that's important to 1,400,000 World War II Veterans now living in Texas, Louisiana and Mississippi. It's August 1.

Most veterans who have let their GI insurance policies lapse have until August 1 to reinstate their policies under present liberal regulations.

Until the August 1 deadline, a physical examination is not required in most cases. The veteran has only to sign a statement that his health is as good as it was when the policy lapsed. Payment of only two months' premiums is necessary to restore the GI insurance in full force.

Since civic groups began cooperating with VA early in February in urging veterans to reinstate their insurance, more than 46,000 World War II ex-service men and women in Texas, Louisiana, and Mississippi have reinstated approximately \$350,000,000 worth of insurance.

Necessary reinstatement forms can be obtained from the nearest VA office or from service organizations.

QUESTIONS AND ANSWERS

Q. What is meant by a guaranty of loan under the G. I. Bill?

A. The guaranty of a loan by Veterans Administration under the provisions of the Servicemen's Readjustment Act (G. I. Bill) is an agreement between a lender of money and VA that in event a veteran fails to pay his loan, the Government will pay the guaranteed portion of the loan.

Q. If I can't meet payments on my guaranteed loan, is payment by the Government a gift to me?

A. No, payment by the government of your guaranteed loan is not a gift. It must be repaid and if the Government pays the guaranteed part of the loan to the lender, you are obligated to the Government for that part of the loan.

Q. I have a lender who will lend me the money I need, but he wants additional security. Does the law allow him to ask for security?

A. Yes. This is a matter between you and the lender. While Veterans Administration does not require that additional security be given, it does not object if the veteran is willing to give it.

Q. I am a widow of a World War II veteran and want to buy a home. Can I obtain a guaranty loan of loan?

A. No. The privilege is limited to veterans of World War II.

Q. Can I obtain a guaranteed loan to purchase household furnishings?

A. No.

How women and girls may get wanted relief from functional periodic pain

Cardui, many women say, has brought relief from the cramp-like aches and nervous strain of functional periodic distress. Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "blow" to come. Started 3 days before "your time," it should help relieve pain. One to cure functional periodic distress. 75¢ a bottle.

CARDUI

Army's Contribution To Peacetime National Welfare

It is a common belief that the Army marks time between wars—that when there is no fighting the Army has nothing to do—that soldiers do "squads right and squads left" and "polish their brass." Much has been written about our Army's battlefield accomplishments, but little is known of its peacetime contributions to national welfare.

Our Army does many things besides fight. During the course of its history, our Army has been charged with assignments not directly related to warfare. Some non-military assignments were made the responsibility of the Army because, at the time a task originated, the Army was the agency best equipped or most readily available to handle it.

Some of these activities were particular time in our Nation's history private industry was unwilling given to the Army because at the or unable to accept them.

Some nonmilitary assignments fall logically to the Army. Disaster relief is one of these. Our Army is equipped and trained to handle emergencies.

Activities of the Army in military field have contributed directly to the welfare of the Nation. The fact that the Army has been called upon again and again to perform such duties reflects the Nation's confidence in the Army as an instrument of the people.

CARDUI

Army's Contribution To Peacetime National Welfare

It is a common belief that the Army marks time between wars—that when there is no fighting the Army has nothing to do—that soldiers do "squad right and squad left" and "polish their brass." Much has been written about our Army's battlefield accomplishments, but little is known of its peacetime contributions to national welfare.

Our Army does many things besides fight. During the course of its history, our Army has been charged with assignments not directly related to warfare. Some nonmilitary assignments were made the responsibility of the Army because, at the time a task originated, the Army was the agency best equipped or most readily available to handle it.

Some of these activities were particular time in our Nation's history private industry was unwilling given to the Army because at the or unable to accept them.

Some nonmilitary assignments fall logically to the Army. Disaster relief is one of these. Our Army is equipped and trained to handle emergencies.

Activities of the Army in military field have contributed directly to the welfare of the Nation. The fact that the Army has been called upon again and again to perform such duties reflects the Nation's confidence in the Army as an instrument of the people.

NOW! Here is a soothing and effective treatment for

ATHLETE'S FOOT!

YOU GET ALL THESE HELPS FROM THE START WITH NEURABALM

1—It promptly relieves excruciating pain

2—It kills all FIVE of the fungi which usually cause Athlete's Foot on contact.

3—It dissolves the hot, excessive perspiration on which Athlete's Foot fungi grow and thrive.

4—It promotes healing of raw, cracked, peeling or soggy skin between toes and on the feet.

The reason Neura-Balm is so effective in relieving Athlete's Foot is that it gets at the seat of the trouble by killing all FIVE of the common fungi on contact! These highly infectious plant molds and parasites grow and thrive on hot, perspiring feet. So here, too, Neura-Balm is effective in helping keep down excessive perspiration. Further, its soothing, analgesic ingredients work FAST to relieve pain and itching.

Helps Guard Against Re-Infection

Treat your feet to a rub with Neura-Balm to kill off these fungi and to help prevent a painful and serious case from developing.

Neura-Balm is delightful to use! It leaves the skin clean and refreshed. It is greaseless, non-sticky. . . does not stain the skin. . . blisters. . . nor destroy tissue. Get a bottle today and see how quickly it brings soothing, welcome relief. Read directions in package for other valuable information. At drugstores in 25¢, 75¢, and \$1.25 bottles.

Also good for sore, aching muscles. . . tired, burning feet. . . sunburn. . . bites. . . itching skin.

Fair Held Last Sunday
For Benefit of Kiln
Catholic Church

On last Sunday afternoon and
evening a church fair was held at
Kiln for the benefit of the Cath-
olic Church and its Missions. Under
the direction of Reverend Fathers
Francis Toner and Ldyola O'Leary
the fair began about noon with din-
ners being served on the grounds.
Appreciative of the zealous work be-
ing done by their pastor and his
assistant, the parishioners of Kiln
and the Missions of White Cypress,
Rocky Hill, Fenton and Catahoula,
responded to their call and during the
afternoon and evening the crowd
continued to enjoy the festivities.
The fair was a financial success.

To Sponsor All-Day Picnic
At Flat Top

Soil Conservation News

By J. L. Bishop

The second annual summer meeting of the State Association of Soil Conservation District Commissioners will be held at Gulfport, July 24 and 25, 1947, according to Otto Hester, Chairman of the Hancock County Soil Conservation District.

A very instructive, interesting and enjoyable program has been arranged by the Commissioners from Harrison, Stone, Forrest, George Perry, Green, Marion, Wainall, Lamar and Hancock Counties, who are acting as hosts for the state-wide membership meeting.

The program will include a tour of farms where conservation practices are applied, outstanding addresses by District Commissioners, businessmen and soil conservationists. Plans have been made for a watermelon treat, seafood dinner, together with the usual Gulf Coast, recreational activities.

All commissioners from the Hancock County Soil Conservation District should arrange to attend the meeting, which we believe will be one of the best and most outstanding meetings of this kind we have held, Mr. Hester said.

Letting of Contract For Kiln-Fenton Road To Be On July 29th.

In this issue of the Echo, appears an advertisement by the State Highway Department requesting bids for

the construction of grading, drainage structures and bridges on 2.32 miles of County highway between Kiln and the Harrison County line in Hancock County. This road comes under the farm to market Federal Aid Project. The letting will be held on July 29th.

From where I sit... by Joe Marsh

Crazy Hat Wins Refrigerator

One of those "Breakfast in the morning" radio shows came to Capitol City last week, and Sarah Carey won first prize for wearing the craziest hat in the audience. It was a full-sized refrigerator! (The prize, not the hat.)

"Glad them hats of hers paid off at last," says Ed, treating the whole thing like a joke. But you could see he was proud of Sarah.

From where I sit, there's another thing Ed can be proud of: the way he's put up with those hats of Sarah's, with never a crit-

clam; just as she's put up with Ed's pipe and the other little freedoms he enjoys.

They've got that refrigerator home now, stocked with beer; and we're going over tonight to drink a toast—not just to Sarah's hats taking first prize... but to a happily married couple, who've learned to live with one another's differences in tastes—whether it's a taste for hats or beer!

AMERICAN LEGION JULY 4TH PICNIC A SUCCESS

The all day picnic held at St. Stanislaus Stadium on July 4th., under the auspices of the Clement R. Bon Temps Post No. 139 American Legion was a complete success, and we understand that it exceeded all expectations and from every indication all who attended had a most enjoyable time participating in the numerous events staged by the local post.

Political speeches were heard in the morning and in the afternoon the American Legion Teams from Picayune and Gulfport entertained the crowd with a baseball game. In this game Anthony Pitalo, Jr., of Bay St. Louis pitched the Gulfport team to a victory. Young Fred Cabell was awarded the prize for climbing the greasy pole.

This celebration was the second affair staged by the local post in their efforts to raise sufficient funds to build a memorial home and pier at the foot of Washington Street.

The post is raffling a Ford De Luxe Two Door Sedan as first prize and a Mahogany plywood boat together with an outboard motor as second prize, and tickets for this raffle have been placed on sale and we understand that much progress is being made, however many more tickets will have to be sold before the drawing takes place. Tickets are being sold at \$1.00 each, and it affords the holder to a chance on both prizes. They may be obtained from any Legionnaire, Dickson Drug Store or Ortes Theater. The money realized from this raffle is to go to the building fund of the Legion Home.

The post has asked that we express for them their thanks to all who made possible the success of their picnic particularly do they wish to thank the Brothers of the Sacred Heart for the use of the Stadium, and Right Reverend Monsignor A. J. Gmelch for the use of equipment.

Mollere Service Station at Waveland Opened

That Waveland is growing, and that its residents have faith in its future is best shown by the improvements that are being erected in our neighboring community.

During the past week Otto Mollere, son of Mr. and Mrs. Charles Mollere opened his service station on Coleman avenue. His parents own the property and the building would do credit to a town many times the size of Waveland. It was amazing to see the amount of business that was handled by this station during the week end of the fourth.

The Mollere Service Station is handling Standard Oil products, and the equipment in their place of business is of the latest type.

DATE ANNOUNCED FOR LITTLE THEATER PLAY

The third Little Theater play of the 1947 season, "Outward Bound," will be presented on Thursday, Friday and Saturday nights, July 24, 25, and 26. An unusual play which is well known to theater-goers both in Europe and America, "Outward Bound" is expected to provide a completely different type of entertainment for our local audiences from any that the Little Theater has attempted in the past. Its success both on the stage and on the screen has been outstanding and your Little Theater is very proud to present it to Bay St. Louis.

Directing the play is Lt. J. N. Horrocks, USN, himself a Little Theater favorite, and the cast is composed of the following: Mr. Chester Davis of Waveland; Mrs. Henry Otis of Bay St. Louis; Mr. John Gordon, a summer resident of Waveland; Mr. Nigel Rafferty of Pass Christian; Mrs. J. N. Horrocks of Pass Christian; Mr. Robert Huey of Pass Christian; Mrs. Kenneth Knoblock of Waveland; Mr. Philip Allison of Bay St. Louis and Lt. Louis Shetler, USMS, of the Merchant Marine Cadet School. The setting is under the direction of Mr. John Lachin of Henderson Point.

Members are requested to attend on their regular nights. Details regarding ticket sale will be announced next week.

—Mr. Walter Garvey of Memphis, Tenn., has been visiting his mother, Mrs. George Michell.

—Mrs. T. Seth, Misses Marie Louise Richard and Alice Dalche of New Orleans were guests of Mrs. C. J. Burns over the 4th of July week end.

Return From Pleasant Trip To The Northwest

Mrs. Wilmer Thibaux and her young son Carl have returned from a pleasant trip to the Northwest and into Canada.

Leaving Bay St. Louis on June 2nd they traveled by automobile with Mr. and Mrs. Frank P. Cassidy, and from there by train to Chicago, where they visited for several days with relatives of Mr. Thibaux. Their next stop was Seattle, Washington and from there on to Portland, Oregon, for a visit with Mrs. Thibaux's uncle, Rod Bennett. While in Portland they made short trips into Canada and went as far as Vancouver, B. C.

Leaving Portland they went to Los Angeles, Calif., and from there to Oceanside, Calif., to visit Master Sergeant Fred Curet, Jr., of the United States Marines at Camp Pendleton. While there they were guests at the Guest House, and were informed that they were the first Mississippian to pay a visit and spend the night at the Guest House at Camp Pendleton.

They reached home on July 2nd, coming from California.

SECURITY and SERVICE
for the
ENTIRE SOUTH

YOU have known this institution for years as the Industrial Life and Health Insurance Company. It is still under the same management, its executives are the same, you still do business with the people you know... with the same friendly local agent—but now the Company is known as

LIFE INSURANCE COMPANY OF GEORGIA.
The name was changed simply because the Company provides many more types of insurance than industrial life and health insurance.

LIFE INSURANCE COMPANY OF GEORGIA provides understanding life insurance service to fit the needs of all—life insurance for every purse and purpose. Although new in name, LIFE INSURANCE COMPANY OF GEORGIA is still... THE OLD RELIABLE.

Facts & Figures

Is What The Taxpayers

Are Interested In

I promised you that I would submit you reasons why we should have a Business Administration. This is the first one:

It is a fact that the County owns a Dredge Boat, Tug Boat and all necessary equipment. I would say this equipment cost the Taxpayers about \$100,000.00. This equipment was purchased for the specific purpose of filling in front of the seawall to protect it from being undermined and also to beautify our beach.

About \$30,000.00 has been appropriated for the operation of the County Dredge in the year.

Now Mr. Board of Supervisors the taxpayers would like to know what is the cost per yard of the dredging? How many yards have been pumped in the past 12 months? and in front of what part of the seawall has been filled?

The Mud Jack that the County rented from the Highway Department to fill the undermined part of the Seawall did a fine job, but had the Board of Supervisors been on the job and the County dredge used as it should have been, this work would not have been necessary.

Therefore my friend the cost of the Mud Jack has been an extra expense instead of a saving.

Who has profited by our investment in the dredge boat and its equipment? If this investment would have been handled by good business men you would have received dividends long ago. As I stated before this is a Political administration and not a business Administration. You can change this condition.
